BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**MARINA DEL REY VISIONING AND LOCAL COASTAL PROGRAM UPDATE
MULTI-MODAL MOBILITY PLAN
(FOURTH SUPERVISORIAL DISTRICT) (3 VOTES)**

SUBJECT

Award a six-month contract to Fehr and Peers (Contractor), in the sum not to exceed \$99,944 to prepare the Multi-Modal Mobility Plan for the Marina del Rey Visioning and Local Coastal Program (LCP) Update Project.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chair to sign the attached six-month contract with the Contractor, effective the day after your Board's approval, with up to three month-to-month renewal options at a contract sum not to exceed \$99,944.
2. Authorize the Director of Planning or his designee to approve and execute amendments to incorporate necessary changes to the contract that do not significantly affect the scope of work or exceed the maximum contract sum of \$99,944; and to suspend work if, in the opinion of the Director of Planning, it is in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The County is undertaking a process to comprehensively update the Marina del Rey LCP. The LCP update is the last part of a three-prong roadmap agreed to between the County Board of Supervisors and the California Coastal Commission (CCC). In this roadmap, the parties agreed that the County

would:

1. Submit a response to the CCC's periodic review of the Marina del Rey LCP submitted to the County in 2009;
2. Present a single major project-driven amendment to the map and text of the LCP reflecting all proposed redevelopment projects in Marina del Rey requiring an LCP amendment; and
3. Develop a new vision and comprehensive update of the Marina del Rey LCP to guide development in the Marina over the next 15 to 20 years.

The first two prongs have been completed.

The County has begun the third prong of the roadmap, and as part of the Marina del Rey Visioning and LCP Update process, the County wants to develop a multi-modal mobility plan that improves mobility in the Marina by: 1) improving connections between the different modes; 2) improving mode accessibility; 3) improving system-wide safety; and 4) improving connections to other transportation options in the area immediately surrounding the Marina.

This contract will allow DRP to complete the Multi-Modal Mobility Plan.

Implementation of Strategic Plan Goals

This action is consistent with the Countywide Strategic Plan Goal No. 1 (Operational Effectiveness) – to maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services. The recommended action will allow DRP to prepare the Multi-Modal Mobility Plan, a crucial component of the County's comprehensive LCP Update.

FISCAL IMPACT/FINANCING

The contract sum is \$99,944, which is based on the work outlined in the Statement of Work and the price quoted by the Contractor. Funding is included in DRP's operating budget for Fiscal Year 2012-2013.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract (Attachment) contains all of the most recent required provisions including, but not limited to, Non-Responsibility and Debarment, Child Support Compliance, GAIN/GROW, Safely Surrendered Baby Law, and the provisions of Paid Jury Service time for the Contractor's employees.

This is a non-Prop A contract. Consequently, there are no departmental employee relations issues and the contract will not result in a reduction of County services. Furthermore, DRP evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to this contract.

Data regarding the proposers' minority participation is on file with DRP. The Contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

DRP will not require the Contractor to perform services that exceed the Board-approved contract sum, scope of work, and/or contract term.

County Counsel has approved the contract as to form.

ENVIRONMENTAL DOCUMENTATION

The services provided through this contract will not have an effect on the environment and therefore, this contract is exempt from CEQA, pursuant to Section 15378 (b) (4) of the CEQA Guidelines.

CONTRACTING PROCESS

DRP conducted a competitive Request for Proposals (RFP) process to solicit the services. The RFP was released on January 24, 2013. Consistent with the RFP process, interested parties were required to submit a proposal demonstrating their ability to provide the services. The solicitation information was made available on the County of Los Angeles Internal Services Department and DRP websites. Forty-two (42) consulting firms contacted DRP to request a copy of the RFP.

Five proposals were received by the February 26, 2013 deadline. These proposals were reviewed for completeness. One proposer IBI Group was non-responsive regarding information on judgments against the company and thus was disqualified. IBI Group was notified and did not submit a request for a Disqualification Review.

The remaining four proposals were reviewed using an initial "pass/fail" process to determine which proposals would be evaluated. The initial screening was consistent with the Selection Process and Evaluation Criteria set forth in the RFP. All four proposals met minimum requirements and passed the initial screening.

A five-member evaluation committee was formed to evaluate the proposals. The committee was comprised of representatives from the County of Los Angeles Department of Regional Planning, Public Works, and Beaches and Harbors. The committee members objectively evaluated the proposals submitted by the following proposers:

- Fehr and Peers
- Iteris
- Stantec Consulting Inc.
- URS Corporation

The evaluation committee reviewed the proposals according to the selection process and evaluation criteria set forth in the RFP and took into consideration staff qualifications, project management, study methodologies, references, and cost. On March 19, 2013, the committee interviewed the top three (3) proposers: Fehr and Peers, Iteris, and URS Corporation. Informed Averaging was used to calculate the final score for each proposer.

Fehr and Peers was the lowest-cost bid and the highest ranked proposer.

DEBRIEFING

On March 25, 2013, DRP notified the three non-recommended proposers that their firms were not recommended for contract award. DRP offered to debrief the non-recommended proposers on the proposal evaluations. All three non-recommended proposers requested a debriefing. They were satisfied with the results of the debriefing and indicated to DRP that they would not continue with the protest process.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees. Upon approval of this contract by your Board, DRP will be able to commence the Multi-Modal Mobility Plan and move forward with the completion of the Marina del Rey LCP Update.

Should you have any questions, please contact Hsiao-Ching Chen at (213) 974-6559 or hchen@planning.lacounty.gov.

Respectfully submitted,

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.6 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D - Contractor's EEO Certification.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any

12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief

Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

- 8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a

lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide

change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the

Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.14 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage

8.15 COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors.

The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County

8.16.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs shall be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.16.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by the Contractor by cash payment upon demand.

8.17.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each

party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.19 FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 FORCE MAJEURE

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

- 8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 GOVERNING LAW, JURISDICTION, AND VENUE

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 INDEPENDENT CONTRACTOR STATUS

- 8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. - 8.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.24 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. 8.24.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.8 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor's own policies, or shall provide County with each Sub-Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.24.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to sub-paragraph 8.38 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this subparagraph 8.37 shall apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

8.40 SUBCONTRACTING

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

- 8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the Subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.40.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.
- 8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.40.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.
- 8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.40.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

Los Angeles County Department of Regional Planning

Los Angeles, CA 90012
Attn: Hsiao-Ching Chen, Contract Manager

before any Subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to sub-paragraph 8.43 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with sub-paragraph 8.38, Record Retention AND Inspection/Audit Settlement.

8.43 TERMINATION FOR DEFAULT

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Director:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes

beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.43.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.43, or that the default was excusable under the provisions of sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.42 - Termination for Convenience.

8.43.5 The rights and remedies of the County provided in this sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

- 8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

- 8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

- 8.45.2 The rights and remedies of the County provided in this subparagraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.52 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

1.1. Introduction

Marina del Rey is located along the coast of Los Angeles County (County), south of the community of Venice and north of the communities of Westchester, Playa del Rey, and Playa Vista as well as Los Angeles International Airport. Developed by the County in the early 1960s, Marina del Rey is one of the world's largest manmade recreational boating harbors. Presently, Marina del Rey is planned to accommodate 5,452 wet boat slips and dry storage spaces. The Marina is also home to approximately 8,800 residents and a variety of commercial uses including retail, restaurant, medical, and office uses.

The County will be undertaking a process to comprehensively update the Marina del Rey Local Coastal Program (LCP). The update to the LCP is the last part of a three-prong roadmap agreed to between the County Board of Supervisors and the California Coastal Commission (CCC). In this roadmap, the parties agreed that the County would:

1. Submit a response to the CCC's periodic review of the Marina del Rey LCP submitted to the County in 2009;
2. Present a single major project-driven amendment to the map and text of the LCP reflecting all proposed redevelopment projects in Marina del Rey requiring an LCP amendment; and
3. Develop a new vision and comprehensive update of the Marina del Rey LCP to guide development in the Marina over the next 15 to 20 years.

The first two prongs have been completed.

The County is preparing to begin the third prong of the roadmap, and as part of the Marina del Rey visioning and LCP update process, the County wants to develop a multi-modal mobility plan that improves mobility in the Marina by: improving connections between the different modes; improving mode accessibility; improving system-wide safety; and improving connections to other transportation options in the area immediately surrounding the Marina. While automobile transportation is an important component of a community's transportation network, the purpose of the mobility plan is to focus on improving the alternative modes of transportation available in Marina del Rey which include but may not be

limited to walking, bicycling, transit, and internal waterborne transportation, and to locate parking to serve businesses, residents, visitors, and the transportation system most effectively.

1.2. Statement of Purpose

The County seeks to retain the services of a mobility consultant to assist the County in developing a multi-modal mobility plan for Marina del Rey. The mobility consultant will be expected to carry out the tasks and produce the deliverables described below in order to produce a comprehensive plan that efficiently and safely moves visitors, boaters, and residents around Marina del Rey and provides improved connections to transportation modes adjoining the Marina. In addition, the plan will provide strategies for appropriately locating public parking facilities throughout the Marina. Mobility plan recommendations will be used to inform the County's decisions in the LCP update concerning the location of future land uses, and it is expected that the recommendations will ultimately be incorporated into the Marina del Rey LCP.

1.3. Project Definition

In the role of mobility consultant for the Marina del Rey visioning and LCP update process, the consultant will prepare a multi-modal mobility plan with the goal of more efficiently and safely moving residents, boaters, and visitors around Marina del Rey. Specifically, the consultant will:

- Identify and develop a working knowledge of the various modes of transportation currently serving Marina del Rey;
- Use this knowledge, the current land use plan and pattern of development, and the proposed land use plan for the Marina to identify existing and potential mobility focal points within and around the edges of Marina del Rey; and
- Use this information and the proposed land use plan to prepare a multi-modal mobility plan for Marina del Rey that allows visitors and residents to park quickly and park once, leave their automobiles, move safely and efficiently to alternative internal transportation modes, and to utilize a variety of alternative internal transportation modes.

Related to the existing circulation and transportation systems, the consultant will analyze the effectiveness of all internal transportation

modes serving the Marina (including all associated infrastructure) for moving people into, around, and out of the Marina. This includes analyzing the demand for, capacity of, and accessibility of public transit options, the capacity of the internal and adjacent road network (using the existing traffic model), the capacity, distribution, and location of public parking facilities (using the existing public parking capacity study), the accessibility and safety of internal and adjacent pedestrian walkways and bike paths, and the demand for, capacity of, and accessibility of the water taxi and shuttle bus. The consultant is not expected to develop a new traffic model to forecast non-auto travel demands, the potential for reduction in auto travel, or a new parking capacity study as such information currently exists and should be used to inform all policy recommendations. The consultant will also analyze the effectiveness of Marina del Rey's existing way-finding infrastructure and develop policy recommendations for improvements.

Utilizing the results of these analyses and the current pattern of development within and adjacent to Marina del Rey, the consultant will identify all current mobility focal points in the Marina.

Finally, the consultant will assist the County in developing a multi-modal mobility plan for Marina del Rey. This plan will address how to get around within Marina del Rey by re-organizing, if necessary, the internal transportation options such that they better serve existing popular destinations within the Marina and provide improved connections to transportation stops adjoining the Marina. Using the location of popular destinations within the Marina, as identified by existing data, the results of the analyses performed on existing transportation modes, and the proposed land use plan, the mobility consultant will identify new mobility focal points around which to construct the mobility plan. In the plan, the consultant will identify the most effective, efficient, and safe mix of transportation modes to be used to improve mobility in the Marina, and determine the ideal siting and designing of transportation stops. The consultant will provide guidance on how best to unify the stops of each of the different modes to create hubs.

As part of the multi-modal mobility plan, the consultant will also devise a "park once" strategy that is designed to get visitors arriving by automobile parked quickly, out of their vehicles, and onto internal circulation options such as the water taxi, shuttle bus, bike paths, sidewalks, and promenade

areas. The consultant will provide strategies for improving these internal circulation options. Finally, the Consultant will propose strategies for the long-term sustainability of the entire proposed system.

1.4. Project Goals

The consultant will:

- Assist the County in improving mobility in Marina del Rey.
- Identify the best ways to get around the Marina with a focus on alternative modes of transportation.
- Identify how best to tie together these different modes.
- Design a system which gets people quickly parked, out of their cars, and onto other transportation modes.
- Improve transportation system safety, particularly where different modes interact.
- Improve accessibility to the various modes of the Marina circulation system and integrate that system with the various transportation systems adjoining the Marina.
- Identify strategies that can be used to make the system safe and sustainable over time.

1.5. Tasks

1.5.1. Kick-off Meeting with the Department of Regional Planning (DRP) and the Department of Beaches and Harbors (DBH)

This meeting will introduce the consultant to the staff members from DRP and DBH with whom the consultant will work and interact. At the kick-off meeting, DRP will define the parameters within which the consultant will operate. DRP will also provide the calendar of events and specific work schedule the consultant will be expected to participate in and adhere to, identify the expected deliverables and timeframes for submission, and provide any supporting County documentation or baseline information the consultant may require in order to complete their tasks. This documentation includes:

- a list of land uses presently in the Marina;
- the Marina del Rey LCP;
- the Marina del Rey LCP Periodic Review and Response;
- the 1991/1994 DKS traffic model;
- the 2009 Raju Associates traffic study;

- the 2009 Right-Sizing Parking Study;
- shuttle bus and water taxi ridership numbers, and
- all EIRs for recent projects within the Marina.

1.5.2. Site Visit

DRP and DBH will provide the mobility consultant with a driving and boating tour of Marina del Rey, its waterfront, and its surrounding neighborhoods so the consultant is familiar with the community, its character, and the surrounding context. The tour will take no more than six (6) hours. Because of space limitations, the consultant may bring no more than four (4) individuals.

1.5.3. Periodic Meetings with County Staff

For the full length of the contract, the consultant will participate in a conference call with the County every other week to discuss progress toward completing the analyses and drafting the mobility plan. Any additional information the consultant needs to improve the analysis and work flow will be provided during these meetings or as soon as possible afterwards. The specific day and time of the conference call will be agreed upon with the consultant once selected.

Additionally, the consultant will meet in-person with the County at DRP offices on the last Wednesday of each month for the full term of the contract. At this meeting, the consultant will present the County with a progress report (see Section 3. Project Management). The meeting is not anticipated to be more than two (2) hours in length. The specific time of the meeting will be agreed upon with the consultant once selected.

In the event that the bi-weekly conference call is scheduled to occur during the same week as the monthly in-person meeting, the conference call will be cancelled and any discussions planned therein will occur during the in-person meeting.

1.5.4. Multi-Modal Mobility Analysis

1.5.4.1. Gather and Review Data

Prior to analyzing the existing circulation and transportation systems serving Marina del Rey and designing a new multi-modal system for the Marina, the consultant is expected to perform all

necessary field research and data gathering (i.e., current demand and usage/ridership for existing transportation options serving Marina del Rey, traffic counts, identification of existing transportation focal points, review of mobility plans for other similarly-situated communities, etc.). The consultant shall identify all existing transportation services and infrastructure serving Marina del Rey; this includes services and infrastructure provided by the County as well as by other municipalities and transportation authorities with services adjoining Marina del Rey.

The consultant will be provided with all relevant planning and regulatory documents. The County will provide the consultant with copies of the Marina del Rey LCP and the Response to the Periodic Review of the Marina del Rey LCP. Additional documents within the County's control will be provided upon request.

1.5.4.2. Define Review Criteria

The consultant is expected to review the effectiveness of the existing transportation system. For this process, the mobility consultant shall propose specific criteria against which the system will be evaluated. Review criteria may include ridership counts and projections, surveys, and assessments of demand and accessibility. These criteria must be approved by the County prior to beginning any analysis. These same criteria shall also be used to inform the development and review of the effectiveness of the mobility consultant's proposed multi-modal mobility plan.

1.5.4.3. Analyze Existing and Future Conditions

The mobility consultant will utilize the approved review criteria to analyze the existing circulation and transportation systems serving Marina del Rey (each mode on its own and the entire system as a whole) for strengths and weaknesses and to identify successful components and areas for improvement. Specifically, the consultant shall determine whether there is sufficient demand to support the continued presence of each mode presently serving Marina del Rey or whether there is sufficient capacity for existing and projected levels of demand. The consultant shall also analyze whether existing transit stops have been ideally located given demand, accessibility, destination choices, and any other criteria

the consultant deems appropriate. Upon completing a proposed multi-modal transportation system for the Marina, the mobility consultant should use the same method to analyze and document the effectiveness of the proposed system.

1.5.4.4. Analysis of Parking Facilities

In addition to an analysis of the existing and proposed transportation system, the mobility consultant will use the information in the 2009 Right-Sizing Parking Study to analyze whether the amount of public parking currently provided in the Marina is sufficient, insufficient, or excessive for the needs of the proposed land use plan. Further, this analysis should determine whether the siting and distribution of public parking facilities is sufficient to support the goal of greater alternative transport usage in the Marina. If changes to the siting and distribution of public parking are needed, suggestions shall be provided by the consultant.

1.5.4.5. Comment on Proposed Land Use Pattern

The spatial arrangement of land uses within Marina del Rey has an impact on movement patterns within the community. Therefore, the consultant is expected to discuss with the County any suggestions they might have for modifying the proposed land use plan to improve mobility.

1.5.4.6. Design Multi-Modal Circulation System

Based upon the results of the analysis of the existing transportation system and any other data gathered, the consultant will prepare a comprehensive, efficient, well-connected, safe, and sustainable multi-modal mobility plan for Marina del Rey. This plan will propose transportation options that provide access to both landside and waterside services, provide transportation options other than automobile use, re-organize existing alternative transportation options, and connect the Marina to transportation services adjoining the community. While this multi-modal transportation plan should not ignore automobile transport, the plan should focus on alternative modes of transportation in Marina del Rey.

In addition, the consultant will prepare a “park once” strategy for the Marina. This plan will identify strategies for getting individuals

arriving at the Marina by car quickly parked, out of their cars, and onto other transportation options in order to get around the Marina. The consultant will also provide guidance as to where public parking facilities should be located relative to visitor destinations.

Finally, the consultant shall make policy recommendations for improving the way-finding infrastructure.

1.5.4.7. Forecast Future Mobility Conditions

Once drafted, the mobility consultant shall project future ridership conditions for the proposed circulation system as a means of determining the effectiveness of the system at meeting the County's stated goals.

1.5.5. Prepare a Draft Plan

The consultant will prepare a draft version of the mobility plan. In this plan, the consultant will present the County with recommendations for the design of a new, multi-modal transportation system that identifies how to organize transportation in the Marina in a way that results in: improved accessibility to the various destinations within the Marina; improved connections between the different modes; a "park once" strategy that encourages residents and visitors to park, get out of their autos, and get onto the alternative transportation modes; and, integrates with transportation modes adjoining Marina del Rey. The plan shall also include policy recommendations for improvements to the way-finding infrastructure. The report will include any and all data, methodologies, analyses, conclusions, and recommendations used and arrived at during the analysis. The County will review and comment on the draft plan.

1.5.6. Prepare Final Report

The mobility consultant will prepare a final plan that addresses all comments made by the County.

1.5.7. Prepare Implementation Strategy

Once finalized, the mobility consultant shall prepare an implementation program that details the staging or phasing of the multi-modal mobility plan. The implementation program will highlight which components of the mobility plan should be implemented in what order and over what time frame.

1.6. Deliverables

1.6.1. Mobility Plan

The mobility plan will include all text, graphics, maps, photos, and visual simulations necessary to adequately define the mobility plan. The mobility plan will identify focal points where multiple transportation modes intersect and form nodes, a “park once” strategy for public parking facilities, realigned bike path to improve safety, Marina-wide transportation system safety enhancements, and accessibility improvements to each mode, including the California Coastal Trail.

1.7. Work Program Timeline

The consultant may begin work as soon as the contract is executed. To meet the project schedule imposed by the County of Los Angeles Board of Supervisors, proposer needs to demonstrate that the project can be completed within four (4) months of execution of the contract.

2.0 ADDITION AND/OR DELETION OF FACILITIES, SPECIFIC TASKS AND/OR WORK HOURS

2.1 This scope of work may require modifications to accommodate special tasks or projects which may arise during the course of the contract, including adding/deleting specific tasks, work products, meetings, and/or work hours. At any time during the contract, the consultant may be notified in writing of desired changes by the County. Any desired changes must be mutually agreed upon, in writing, between the consultant and the County.

2.2 The consultant will report directly to the County Project Manager.

- Consultant shall keep the County Project Manager apprised of the progress of his/her work on an ongoing basis, including providing the County with a written report describing progress through the work program and summarizing all data gathered and tasks completed to date. The progress report will be due to the County on the last Wednesday of each month at the in-person meeting (see Section 1.5.3. Periodic Meetings with County Staff).
- County shall provide the consultant with all in-house documents and information that may assist in the preparation of the mobility plan.

- Consultant has no authority to require work from the County. If the need arises where the consultant needs assistance from the County, consultant shall make a request to be routed through the County Project Manager for action.

Upon receipt of this document, the Contractor is required to respond in writing to the County Contract Project Monitor within five (5) workdays, acknowledging the reported discrepancies or presenting contrary evidence. A plan for

correction of all deficiencies identified in the Contract Discrepancy Report shall be submitted to the County Contract Project Monitor within five (5) workdays.

**CONTRACT EXHIBIT H
JURY SERVICE ORDINANCE**

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
